Adverting to the letter No.G.5236-P.P. 84-18-4 dated 11th September 1918 from the Chief Secretary to the Government of His Highness the Maharaja of Mysore (copy of which is herewith enclosed for ready reference) regarding my proposal for entertaining an additional establishment in the Taluk Offices of this District as well as in my Office for work connected with civil supplies, I have the honour to state that the work in this connection is being multiplied day by day owing to the continuance of the unfavourable seasonal conditions. Added to these pestilence in the form of influenza which is virulent in this District is also causing much anxiety and prostating every official and his family.

Consequently the legitimate work of the office has considerably suffered and has accumulated on account of the extra work. I therefore, request that a recommendation may kindly be made to the Government for the entertainment of the marginally noted temporary establishment to this District till

1 District office clerk on Rs.30/- Clerk to each Taluk Rs.20/- Clerk to Sub Taluk Rs.15/- Clerk to Shimoga town Rs.20/- to work under the Vice President, Shimoga Municipality).	the end of the official year.

SIR,

In submitting herewith copies of letters Nos. C.182-18/H.C. and S.C.193/Rev. of 1917-18 dated 6th September 1918 and 20th September 1918 from the Deputy Commissioners of Hassan and Chitaldrug Districts respectively asking for sanction for the entertainment of a temporary hand to attend to the extra work that has devolved on their offices in consequence of the present seasonal conditions, food control, statistics of food stock etc., I have the honour to state that correspondence in connection with the abovementioned items has increased appreciably and is interfering with the prompt despatch of normal work in all the Deputy Commissioners' Offices as also in this office. I beg, therefore, to recommend that Government may be pleased to sanction the entertainment of an additional clerk on Rs40/- per mensem in each of the marginally noted Deputy Commissioners' Offices and two clerks on Rs60/- and Rs50/- in this office for a period of six months. The Government having in their order No.G. 8321/3/P.P.84-18-6 dated the 9th November 1918 sanctioned a clerk on Rs30/- for the Mysore and Shimoga Districts in connection with War, the Deputy Commissioners of these districts have been requested to report if they want an additional hand to deal with season

conditions etc; and on receipt of their report a further reference about the additional establishment required for these Districts will be made if necessary.

I have the honor to be,

Sir,

Revenue Commissioner.

Letter No.Ref. on S.C. 193 Rev. of 18-19. dated 20th September 1918 from the Deputy Commissioner, Chitaldrug District, to the Revenue Commissioner in Mysore, Bangalore.

I have the honour to state that the correspondence regarding the seasonal conditions, the stock of foodgrains, the stopping of export of food grains from the State and the import of necessary articles of food grains to meet the demand of the District and the incidental accounts and returns etc., have been increasing from day to day. As the work is of great importance requiring immediate action some qualified official should be entrusted with the correspondence relating thereto. As the work in all the branches of the Deputy Commissioner's office has been increasing and the present establishment is already overworked, I think it is desirable that a special hand on Rs.40/- per mensem should be entertained for this work till the normal state of affairs resume. I therefore request that you will kindly obtain the sanction of Government in the matter. Early orders are solicited.

Letter No.C.182-18/H.C. dated 6th September 1918 from the Deputy Commissioner, Hassan District. to the Revenue Commissioner in Mysore, Bangalore.

I have the honour to state that owing to the present unfavourable condition of the season prospects the correspondence and other office work has increased considerably. Compilation of daily rainfall statements and telegrams, work in connection with the controlling of exports of food stuffs, taking stock of food stuffs, the importation of fodder, sinking of wells, etc., all amount to a considerable extent giving full work to a clerk and what is more the work will have to be done rapidly owing to urgent nature of the work which cannot be leisurely attended to. The work in the District Office has already considerably increased and you are aware that the existing establishment finds it difficult to cope with this increased work. In these circumstances, it is not possible to get the work connected with the seasonal conditions done expeditiously by the existing staff. I request you therefore to kindly address Government to sanction a temporary hand on Rs.30/- per mensem for the work till the end of December 1918.

SIR,

In continuation of my letter No. C.1281 dated 12th/14th November 1918 addressed to the Secretary to Government Revenue Department (copy of which is herewith enclosed for ready reference) requesting sanction for the entertainment of two clerks on Rs.60/- and Rs.50/- in my Office for a period of 6 months, I have the honour to state that since the above communication was sent by me, orders of Government dated 11th November have been received making the Revenue Commissioner responsible for the food supply arrangements in the State. This has greatly added to the work of the Office and considerably increased the correspondence. I find from my experience of the last few days that the various items of work relating to the food control, are so numerous and are all so urgent and important that a special staff of experienced and qualified officials is required to deal promptly and intelligently with them, and that it will be impossible for the temporary establishment of 2 hands proposed by me in the letter referred to above to deal with this work in addition to that relating to season conditions etc. I therefore, beg that you will be good enough to obtain sanction for two more hands on Rs.80/-and Rs.50/- respectively for a period of six months,

Forwards for orders Chitaldrug Deputy Commissioner's letter requesting the sanction of 2 more clerks for work in connection with the food situation in his District.

Letter No.S.C.713/Rev.17-18 dated 16th December 1918 from the Deputy Commissioner, Chitaldrug District, to the Revenue Commissioner in Mysore, Bangalore.

With reference to Government Order No.G.8321-3/P.P.84-18-6 dated 9th November 1918 sanctioning the entertainment of a clerk on Rs. 30/- for the clerical work connected with the food situation in the District, I have the honor to state that the volume of clerical work, correspondence, maintenance of accounts connected with the food situation, demand the appointment of at least three clerks, one on a salary of Rs. 50/-, one on Rs. 35/- and another on Rs. 30/- and two peons on Rs. 10/- each per month.

Rs. 50/- is proposed to the first clerk since he has to handle lot of papers connected with the prosecution of persons offending against the rules issued under the Defence of India Regulation besides attending to lot of English correspondence. A man of good office experience with a knowledge of law will be required for this place.

The other two clerks will be required for maintaining accounts cash registers, preparing periodical returns and also for typing, registering, despatching. Unless the proposed staff is sanctioned, I am afraid the work cannot get on smoothly with any degree of efficiency. The need for such an establishment was pressed personally at the Deputy Commissioner's meeting held on the 20th November 1918 and I request that you will be so good as to point out the necessity for the same to Government and kindly obtain early sanction thereto. The total cost of the establishment will be Rs. 135/- per month.

Pending sanction of Government, I may be permitted to entertain the proposed staff at once.
